

K-Love is a vital ministry in the Hampton Roads area. It provides a healthy, moral alternative to all the commercial stations in this market. The number of people displaying KLOVE bumper stickers far exceeds that of any other station in the area and clearly indicates the reach and impact of the Christian music on the community. Contemporary Christian music is the gateway to so many lost young people and the loss of KLOVE would leave a huge hole in this area. Please feel free to contact me regarding this comment.
